### **Our Service**

We are an independent insurance intermediary, who acts on our customers' behalf in arranging insurance. Our services include: advising you on your insurance needs; arranging your insurance cover with insurers to meet your requirements; and helping you with any ongoing changes you have to make. As part of our service, we will assist you with any claim you need to make and tell you what your responsibilities are in relation to making claims.

If you mislay your policy at any time, we will issue a replacement policy document, if you request it.

### **Whose products we offer**

We usually offer advice from a range of insurers, representing a fair analysis of the market, however, under certain circumstances we may only deal with a limited panel, or single insurer. In these cases we will advise you of this prior to conclusion of the contract.

### **The service we will provide you with**

We will advise and make a recommendation for you after we have assessed your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving reasons for our recommendation. In respect of Legal Expenses/Motor Breakdown policies you will not receive advice or a recommendation from us and you will then need to make your own choice about how to proceed.

Prior to the conclusion of each insurance contract, or upon renewal, we will remind you of your right to be advised of the level of commission which we receive from underwriters. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business. ### **Are we covered by the Financial Services Compensation Scheme (FSCS)?**

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms, like ourselves. The FSCS can pay compensation if an authorised firm is unable or likely to be unable to pay claims against it, usually because it has gone out of business or is insolvent.

Insurance advising and arranging is covered for 100% of the first £2,000 and 90% of the remainder of the claim, without an upper limit. For compulsory insurances (for example, motor insurance and employers' liability insurance), insurance advising and arranging is covered for 100% of the claim, without an upper limit. Further information about compensation scheme arrangements is available from the FSCS.

### **Payment Options**

We normally accept payment by guaranteed cheque or the following credit/debit cards - Visa, MasterCard, and Maestro. You may be able to spread your payments through insurers' instalment schemes or a credit scheme, which we have arranged with an established insurance premium finance provider. We will give you full information about your payment options and the appropriate finance agreement when we discuss your insurance in detail.

**Please Note:** Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

### **Language Used**

The English language will be used for all communications, the contractual terms and conditions, and any information we are required to supply to you, before and during the duration of the contract.

### **Information on how we treat Payments You make to Us**

Under the terms of our agreements with the Insurance companies with whom we place business, we normally receive premiums you pay to us as Agent of the Insurer. All insurance premiums you pay to us are protected in a Statutory Trust Client Account until we pay insurers. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance.

### **Your Duty to Give Information**

**It is your responsibility to provide complete and accurate information to insurers when you take out your insurance policy, throughout the life of your policy, and when you renew your insurance.**

**It is important that you ensure that all statements you make on proposal forms, statements of fact, claim forms and other documents are full and accurate.**

Please note that if you fail to disclose any information or change in circumstances to your insurers which could influence the cost, or their decision to accept your insurance, this could invalidate your insurance cover, and could mean that part or all of a claim may be not be paid.
